Voor mijn adoptiemoeder die, per toeval,
ook mijn verwekster had kunnen zijn.
Je eigen kinderen adopteren gebeurt nooit, nietwaar?
Bedankt, Pouillon!

QINAYA

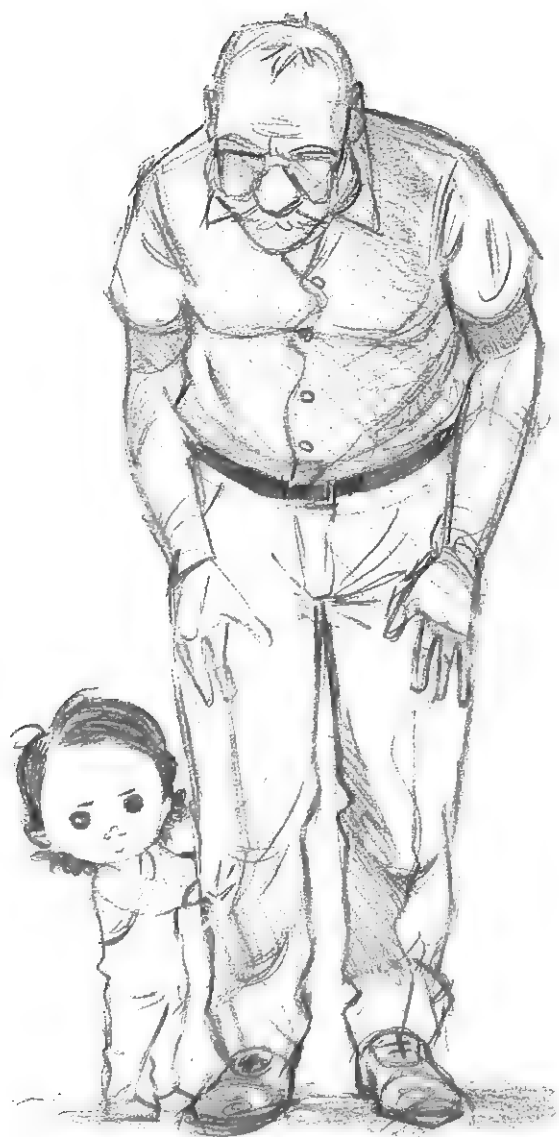

GABRIËL

“Liefde kan je niet stelen. Liefde kan je niet kopen.
Liefde moet je verdienen.”

Wanneer Qinaya, een Peruaans weeskind van 4 jaar, door een Franse familie wordt geadopteerd, zet dat het leven van iedereen op zijn kop. De ouders proberen Qinaya het drama dat ze heeft meegemaakt te doen vergeten. Lynette ontpopt zich als een taartenbakkend moedertje en de vrienden van het koppel geraken langzaam aan gewoon aan het kindje dat zich aanpast aan haar nieuwe leven. Maar voor Gabriël ligt het veel moeilijker: hij moet leren om een grootvader te worden terwijl hij nooit de tijd heeft genomen om een vader te zijn.

Na de eerste afstandelijke contacten vinden Gabriël en Qinaya beetje bij beetje toenadering, iets wat zelfs de oude knorpot nooit had verwacht.
